FINGERPRINT PROCEDURES *staff will not provide fingerprint cards or livescan form until application has been submitted - please submit application first.

Before the Board issues a license, clearances must be received from the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Two methods are available to complete the fingerprint requirement:

☐ **A. Live Scan Process**

For applicants residing in or near California, please use this process. On average, Live Scan results are received within two weeks. To locate a Live Scan site near you, use an Internet search engine and key "Livescan in (City)". Hours of operation and rolling fees vary, so please contact the Live Scan site directly for information.

Live Scan Procedures

1. Complete the Request for Live Scan Services Form (BCII 8016).
2. Take the completed form (in triplicate) to a Live Scan site and pay the applicable fees.

B. BCII 8016 - Mail the **second copy of the Live Scan Services Form to the Board.**

Or

☐ B. Fingerprint Cards

If you reside outside California or are unable to obtain Live Scan services, you must use the manual fingerprint card process. **Please contact the Board by phone or e-mail us at naturopathic@dca.ca.gov to obtain fingerprint cards.** Results from the manual card process are typically transmitted in 3 to 5 weeks, but can take as long as 24 weeks.

Manual Fingerprint Process

1. Contact the Board to obtain two fingerprint cards.
2. Complete all applicable areas on both cards (refer to instruction sheet included with the cards).
