

Please note that the office of the Naturopathic Medicine Committee will be under construction for the next several weeks, beginning on January 3, 2019 and should conclude by late January (estimated date of completion 1/28/19). Staff will be working offsite during the construction period. Due to access limitations, there will be delays in processing all paper applications.

The Committee highly recommends the use of online services for issues such as new license applications, license renewals, change of address/name, license verification, and submit a complaint against a licensed naturopathic doctor (ND) or an unlicensed naturopath. Please visit the online services at www.BreEZe.ca.gov.

Urgent matters will continue to be handled on a priority basis to the best of our abilities, but may still be delayed.

For ***new applicants***: please check the web site (www.naturopathic.ca.gov) for instructions under the "Applicant" button. We cannot estimate the amount of time it will take to issue your license. If you will not be entering CA prior to licensing, please give us your mailing address so we can mail fingerprint cards.

To file a ***complaint***, please visit the web site at <https://www.breeze.ca.gov>.

If you are a consumer, insurance company or pharmacy and need to ***verify a license***, visit the new Online BreEZe services at <https://www.breeze.ca.gov>.

If you need to visit the Committee, please go to the following physical address:

Department of Consumer Affairs
Naturopathic Medicine Committee
1625 North Market, Suite S-202
Sacramento, CA 95834

This is only a temporary address for staff. **DO NOT SEND MAIL TO THE ADDRESS ABOVE.**

Please continue to mail all documents to the Committee's permanent address at:

Naturopathic Medicine Committee
1300 National Drive, Suite 150
Sacramento, CA 95834
